

## **Global Eucalyptus Essential Oil Market is estimated to grow with a CAGR of 5.24% during the forecast period**

Eucalyptus oil is a distilled oil made from the Eucalyptus tree's leaf. Eucalyptus oil has a wide range of functions, including medicinal, repellant, antibacterial, flavouring, aroma, and industrial applications. To extract eucalyptus oil, the leaves of several eucalyptus species such as eucalyptus globulus, eucalyptus kochii, and eucalyptus polybractea are steam distilled. Eucalyptus oil has a variety of therapeutic properties. According to studies, eucalyptus oil can help combat respiratory infections by destroying bacteria, viruses, and fungi. It's also used to treat bronchitis, asthma, plaque and gingivitis, and toenail fungus, among other things.

The report " Global Eucalyptus Essential Oil Market, By Nature (Organic and Conventional), By Application (Anti-Microbial Agent, Antiseptic Agent, Deodorizing Agent, and Insect Repellent Agent), By End Use (Pharmaceutical Industry, Cosmetic Industry, and Others), By Distribution (Direct and Indirect Channel), and By Region (North America, Europe, Asia Pacific, Latin America, and Middle East & Africa) - Trends, Analysis and Forecast till 2029"

### **Key Highlights:**

- In June 2019, Now Health Group Inc., the largest independent manufacturer of natural products in the U.S., has been awarded with 2019 Best and Brightest Company to work for in Chicago. The Company has most innovative and thoughtful human resources approach and is 12th consecutive year of recognition for company.
- The market for eucalyptus oil in North America is driven by the United States and Canada, and is predicted to increase significantly over the forecast period due to the expansion of the food, personal care, and cosmetic industries. Food is one of the main manufacturing industries in the United States, accounting for more than 10% of all shipments, which should raise demand for eucalyptus oil. The eucalyptus oil market in Europe, driven by the United Kingdom, Italy, and Germany, is expected to develop significantly over the forecasted period, owing to the existence of numerous small and large-scale cosmetic producers in this region.

### **Analyst View:**

Over the projected period, the cosmetics and personal care segment is predicted to make a substantial contribution to market growth. Due to increased customer demand for natural-ingredients-based goods, eucalyptus essential oil is employed as an active ingredient in a variety of cosmetics and personal care products. Eucalyptus essential oil also contains antioxidant and anti-inflammatory effects, making it a popular ingredient in cosmetics and personal care products. Furthermore, the growing demand for flavours and fragrances in the beauty, personal care, and food and beverage industries is boosting product sales. Meanwhile, due to its

therapeutic and antibacterial capabilities, eucalyptus essential oil is increasingly being used in medicinal supplements and pharmaceutical goods, and this trend is projected to continue.

### **Key Market Insights from the report:**

The global eucalyptus essential oil market report segments the market on the basis of nature, application, end use, distribution, and region.

- Based on Nature, Global Eucalyptus Essential Oil Market is segmented into Organic and Conventional.
- Based on Application, Global Eucalyptus Essential Oil Market is segmented into Anti-Microbial Agent, Antiseptic Agent, Deodorizing Agent, and Insect Repellent Agent.
- Based on End-User, Global Eucalyptus Essential Oil Market is segmented into Pharmaceutical Industry, Cosmetic Industry, and Others.
- Based on Distribution, Global Eucalyptus Essential Oil Market is segmented into Direct and Indirect Channel.
- By Region, the Global Eucalyptus Essential Oil Market is segmented into North America, Europe, Asia Pacific, Latin America, and Middle East & Africa.

### **Competitive Landscape & their strategies of Global Eucalyptus Essential Oil Market:**

Advancements in the product as well as in manufacturing process, product launches, and strategic partnerships are some trends witnessed in the global eucalyptus essential oil market. Some of the major key players include doTERRA International LLC, AOS, Inc., Now Health Group Inc., Plant Therapy Essential Oils, NHR Organic Essential Oils, Biolandes International Limited, Augustus Oils Ltd., Aromaaz International, Lionel LLC and Young Living Essential Oils LC

The market provides detailed information regarding the industrial base, productivity, strengths, manufacturers, and recent trends which will help companies enlarge the businesses and promote financial growth. Furthermore, the report exhibits dynamic factors including segments, sub-segments, regional marketplaces, competition, dominant key players, and market forecasts. In addition, the market includes recent collaborations, mergers, acquisitions, and partnerships along with regulatory frameworks across different regions impacting the market trajectory. Recent technological advances and innovations influencing the global market are included in the report.
